*Reproduction of the mark in
color under Rule 9.4(a)(vii)*

<i>Registration number</i>	1 781 524
<i>Registration date</i>	December 5, 2023
<i>Date next payment due</i>	December 5, 2033
<i>Name and address of holder</i>	OKUTANI Ltd. 5-5, Aioicho 4-chome, Chuo-ku, Kobe-shi, Hyogo 650-0025 (Japan)
<i>Legal nature of the holder (legal entity) and place of organization</i>	Corporation, Japan
<i>Name and address of the representative</i>	Seiryu Patent Professional Corporation, Ark Ginza Building, 17-2, Ginza 7-chome, Chuo-ku, Tokyo 104-0061 (Japan)
<i>Classification of figurative elements</i>	1.15; 7.15; 25.7; 26.15; 27.5; 29.1
<i>Colors claimed</i>	Yellow, white, gray and red. The trademark features the word "LASER PUNCHING" written in white on a yellow rectangle, a gray rectangular parallelepiped with holes, and red lights that extend horizontally and radiate at the ends.
<i>List of goods and services NCL(12-2023)</i>	6 Wire cloth; perforated metal wire mesh; metal wire mesh with micro holes processed by laser. 7 Metalworking machines and tools; filters for metal processing machinery and equipment; mining machines and apparatus; filters for mining equipment; chemical machinery equipment; filters for chemical machinery equipment; textile machines and apparatus; filters for textile machinery equipment; food or beverage processing machines and apparatus; filters for machinery and equipment for food processing or beverage processing; machinery and equipment for pulp manufacturing, paper manufacturing, or paper processing; filters for machinery and equipment for pulp manufacturing, paper manufacturing, or paper processing; agricultural machinery and equipment; filters for agricultural machinery and equipment; glassware manufacturing machines and apparatus; filters for glassware manufacturing machines; painting machines and apparatus; filters for painting machinery equipment; plastic processing machines and apparatus; filters for plastic processing machinery and equipment; machines and apparatus for manufacturing rubber goods; filters for rubber product manufacturing machinery and equipment; parts of power machinery and equipment; filters for power machinery (excluding those for land vehicles); fuel filter; filters

for motors and engines; pneumatic or hydraulic machines and instruments; filter for pneumatic or hydraulic machines and instruments; fuel dispensing machines for service stations; filter for fuel dispensing machines for service stations; food mixing machines for commercial use; filter for food mixing machines for commercial use; dishwashers; dishwasher filter; vacuum cleaners; vacuum cleaner filter; dust filter for vacuum cleaner; commercial waste compaction equipment; commercial waste crushing equipment; filter for commercial waste compaction equipment; filter for commercial waste crushing equipment; electric food blenders [for household purposes]; filter for electric mixer.

- 11 Recuperators for chemical processing; filter for recuperators for chemical processing; steaming equipment for chemical product manufacturing; filters for steaming equipment for chemical product manufacturing; evaporation equipment for chemical product manufacturing; filter for evaporation equipment for chemical product manufacturing; distillation equipment for chemical product production; filters for distillation equipment for chemical product manufacturing; milk sterilizers; filter for milk sterilizer; commercial ice cream making machine; filter for commercial ice cream making machine; bread-making machines for industrial purposes; filter for bread-making machines for industrial purposes; boilers (excluding those for power machinery parts and engines); filters for boilers (excluding those for power machinery parts and engines); commercial heating and cooling equipment; filters for commercial heating and cooling equipment; commercial refrigeration equipment; filters for commercial refrigeration equipment; commercial cooking equipment; filters for commercial cooking equipment; dish disinfectant apparatus for industrial purposes; filter for commercial tableware sterilizer; kitchen sinks incorporating integrated worktops for commercial use; filters for kitchen sinks incorporating integrated worktops for commercial use; kitchen sinks for commercial use; filter for kitchen sinks for commercial use; waste water treatment tanks for industrial purposes; filters for waste water treatment tanks for industrial purposes; septic tanks for industrial purposes; filters for septic tanks for industrial purposes; commercial water purification equipment; filter for commercial water purification equipment; non-electric cooking heaters for household purposes; filter for non-electric cooking heaters for household purposes; kitchen sinks incorporating integrated worktops; filter for kitchen sinks incorporating integrated worktops; kitchen sinks for household purposes; filter for kitchen sinks for household purposes; household water purifiers (excluding electric ones); filters for household water purifiers (excluding electric ones); waste water treatment tanks for household purposes; household sewage septic tank filter; septic tanks for household purposes; filter for household human waste treatment tank; bath fittings; filter for bathtubs.

Basic application Japan, July 12, 2023, 2023-077474

Data relating to priority under the Paris Convention Japan, July 12, 2023, 2023-077474

Designations under the Madrid Protocol Bosnia and Herzegovina, China, European Union, Republic of Korea, Serbia, Türkiye, United Kingdom, United States of America, Viet Nam

Declaration of intention to use the mark United Kingdom, United States of America

Date of notification March 21, 2024

Language of English
the international application

A handwritten signature in blue ink, reading "Chen Hongbing". The signature is fluid and cursive, with the first name "Chen" and last name "Hongbing" clearly distinguishable.
